

Elsa Dragon

February 24, 1928 - August 23, 2021

Elsa Dragon was born in Poland, grew up in Mexico City and then moved to the United States. She passed away on Monday, August 23, 2021 peacefully, surrounded by her loving family in Austin Texas.

She is survived by her six daughters, 15 grandchildren and 21 great grandchildren; all of whom she taught how to live with passion, optimism, and laughter every step of the way. She touched the lives of everyone lucky enough to share in her beautiful life, and her legacy will live on in every one of those people, along with her hundreds of paintings, timeless jokes, boundless wisdom, and limitless love.
