“ Johnny was a great kid. A very special, awesome little dude. I will never forget his smile. I loved babysitting for the boys, always a fun time. He was always so curious about everything. Loved climbing that tree in Austins yard. My prayers and condolences to the whole family. He will forever be remembered.
You're free now Johnny boy. 🙏💕

“ Johnny, it was a pleasure to know you and to see you grow from this little kid to the man you became. We were so proud of you and your accomplishments. I remember always telling you to stop growing, but I'm glad you didn't. This photo will always remind me of the 3 of you together and how much time flies by. I know you and Gabbie didn't have the same bond but she remembers you and said she missed you. We all will. You were loved.

“ Being your grandma has been an incredible honor. Spending time with you every year, celebrating your life milestones and watching you grow up to be an exemplary young man has been an immesurable joy to me. Life without you seems impossible, but your eternal light lives on. Peace and love be with you always.
