

Roger Frank Hirsch

February 3, 1973 - October 16, 2020

Roger Frank Hirsch, of Austin, TX, passed away on Friday, October 16 at the age of 47. Roger was born and raised in Memphis, TN and graduated from Christian Brothers High School in 1991. While growing up in Memphis, Roger was active in the Temple Israel youth group, Henry S. Jacobs Camp, and enjoyed playing a variety of sports, including varsity tennis. He attended and graduated from the University of Texas in 1995 and went on to get his MBA from St. Edward's University. Roger remained active in sports throughout his adulthood, continuing to play golf and tennis and passing that love onto his children. Although a graduate of UT and a Longhorn fan, Roger remained a forever fan of Alabama football.

Roger sat on the board of South Austin Baseball for many years and was instrumental in the league's recent growth. He was a member of Temple Beth Shalom and had the joy of watching his oldest son become a bar mitzvah there last October. Roger was an amazing father to his three young children and was a dedicated husband. His children were the light of his life, and he loved watching them grow. He delighted and found great joy in all they did.

Roger was preceded in death by his father, Michael Hirsch. Roger is survived by his wife, Leslie Wearb Hirsch, and sons, Meyer, Solomon and Elliott; his mother, Roslyn Diamond Hirsch Clark (Charles); his brothers, Geoffrey Hirsch (Marci) and Scott Hirsch, and his stepsister, Tara Cumberland (Jason); his sisters-in-law, Alison Earnest (Scott) and Rebecca Johnson (Seth); his nieces and nephews, Michael and Lily Hirsch, Carson and Wyatt Earnest, William and Henry Johnson, and Cybil and Davis Cumberland; and his large extended family of aunts, uncles and cousins. He loved his family deeply and cherished his friends.

A private graveside service will be held on Tuesday, October 20th at 2 pm. A livestream of the graveside service will begin on the Austin Natural Funerals Facebook page shortly before 2 pm. Use this link <https://www.facebook.com/AustinNaturalFunerals> to join.

In lieu of flowers, those wishing to express sympathy, please make a memorial donation in Roger's name to the American Heart Association, Henry S. Jacobs Camp or South Austin Baseball.

“ I attended your wedding as Roslyn’s friend. Loved the love that I witnessed that day. To all of Roger’s family and especially my dearest friend, Roslyn. My heart aches for you all. The sons and wife will carry his legacy throughout their lives with pride and love. And you a mother, Roslyn, will never understand why your son went before you. There are no answers just faith that our God has not forgotten you in His almighty plan. His love is stronger for you now than ever before because of your loss. We do not see the ocean beyond the horizon nor life beyond death. I love you and will always be here for you as long as I live.

“ I was heartbroken to learn of Roger’s passing over the weekend, and am still shook up about it. Roger worked for me for over a decade at three companies - Remedy/BMC, Alfresco, and Appdynamics. He was a genuine team-first human being, always brought his best, had an infectious enthusiasm, and a passion for people. It shows by his community service and accomplishments that he brought this same spirit and zest outside of his work.

Roger will always be “one of the good ones” for me, will be sorely missed, and never forgotten. My heart goes out to Leslie, his sons, and the entire Hirsch Family.

Rest in Peace, Rog.

“ I only knew Roger through his role as a scheduler with South Austin Baseball in my boys' years there but in my limited interactions with Roger I always appreciated his knowledge, his patience and his professionalism and he made my time there better. And I know that was the same for so many others. I was shocked and saddened to hear of his passing and mourn with his family and friends, to whom I send my sincere condolences.

“ Leslie, Meyer, Solomon, and Elliott,
My heart aches for you all. I could tell how great a father he was by the way his sons loved him. He was such a genuinely kind person and I'm glad to have gotten to know him even if it was for only a few brief years. You boys keep being the kind and outstanding young men that you are and let him live on in your example.

“ Leslie, Meyer, Solomon and Elliott,
I am so sorry to hear about your dad's passing. He was definitely taken too soon. I loved getting to babysit for y'all as kiddos and seeing the joy on your faces when your mom and dad would come home and also seeing the joy on Roger's face when he would see you as well. May his memory be a blessing and his love for his family live on. Thinking of you all right now and sending love your way.

“ Roger was the gold standard for fatherhood. He was a dedicated family man, and a pillar of our community. He always had such an easy going, approachable way about him. He was so obviously proud of his beautiful wife Leslie, and was ALWAYS there for his sons. Heather, Fin and I are endlessly proud of them too. We love you guys and consider you part of our family. He was one of the most selfless people I've ever known. I can't ever recall him talking about himself. He was the kind of man you hope your son grows up to be. Solid as a rock, but always approachable and kind. I recall him speaking at Meyer's Bar Mitzvah. When he said "your mommy and I will always be here for you" I have to admit I had to reach for my handkerchief to dry a tear. He had an unspoken bond with his boys the likes of which I've never seen. It was unique and special. Many times I've seen Meyer step out of the batter's box after a swing and a miss. He'd always reflexively look over at his dad. Roger would give him some kind of subtle, almost undetectable nod or signal. He'd step back in the box, dig in with renewed determination, and rip a triple down the first base line with that sweet left-handed swing dad had taught him. It was beautiful. He was beautiful. He will be missed. Leslie, Meyer, Solly, and Elliott, the Chalmers family will always be here for you.

“ Our hearts are heavy and saddened by Roger's sudden death- too young. There are no words of comfort I can provide, but know you and your children are in our thoughts and prayers as you begin this journey of healing.

“ Dear Leslie, Meyer, Solomon, and Elliott,

I was incredibly saddened to learn of Roger's passing. Some of my happiest days have been spent on Austin's baseball fields where I had the pleasure of coaching alongside Roger. He had such a great spirit and energy with all of the boys and really helped them to achieve their best regardless of where they were starting out. My heartfelt condolences go out to the four of you, your extended family, and all the many people who were fortunate to have Roger in their lives in any fashion. He will be missed.

Jerry Aubin - October 20, 2020 at 09:14 AM

“ A good man gone way too early. I had the pleasure of coaching baseball alongside Roger for a few years and I always appreciated his steadiness, and his love and study of the game. You could always count on Roger to be there, know some factoid that he would share with the team, but mostly, he was a great Dad who loved his kids. The Rhodes family's thoughts are with the whole Hirsch family, and I hope there is some comfort knowing that Roger touched so many along the way.

Michael Rhodes - October 20, 2020 at 08:38 AM

“ My deepest condolences to Roger's Family.

Roger was a huge retro Arcade fan and was part of several FB groups that shared his same passion. Roger asked me to mod his Star Wars Arcade1Up several months ago which he absolutely loved. He was so smart and passionate about it, I asked him to join me in helping design a brand new custom Star Wars Arcade1Up build called StarCade Playlist 2.0.

I had just put the very first copy of SCPL2.0 in the mail to Roger when I got the shocking news. I'm deeply saddened and my thoughts and prayers are with you and your family now.

To honor your impact to the retro arcade community, I'll be dedicating my SCPL2.0 build to you. I've written Roger's name in the splash screen image attached in Aurebesh (Star Wars language) on the left and his life years on the right. Your spirit will live on through this build and I'll also be making a donation to the South Austin Little League in your honor.

R.I.P Roger Hirsch, you will be missed friend.

“ Thoughts and prayers from the Hoopman family to the Hirsch family during this difficult time. Roger was such a big part of S.Austin Little League and will be in our hearts when we get back to the fields in the future.

Scott Hoopman - October 20, 2020 at 12:42 AM

“ How many times did I arrive early for practice at Weber Field to find baseballs littering right field and then scan toward the infield to discover Meyer at the plate with a bat and Roger on the mound with a bucket of balls? How many boys and girls in Austin learned to play baseball and soccer under the tutelage of the bespectacled gentlemen with the steady demeanor, the sincere smile, and the encouraging voice? How many great memories did Roger help create for all of us in the limited time that he walked the Earth? I am so grateful for the time that my family and I got to spend with Coach Roger.

To Leslie, Meyer, Solomon, Elliott, and your extended family - Please accept my deepest condolences for your loss.

“ I remember when we met, Leslie, when Elliott and Shale were so tiny and Kalon was just a few weeks old. I told you we almost named Kalon ‘Roger’, and you said that was your husband’s name and he’s a pretty nice guy. Later, when I met Roger, I agreed that yes, he’s a pretty nice guy. He always had such a calm and kind air about him whenever he came to school to pick up the boys. My heart is so broken for all of you at this time. He was a wonderful man and you all are such a wonderful family. I’m so deeply sorry for your loss.

Love,
