“ *Amalie taught me so much. Although we only spent time together at work, we developed a special bond and friendship over the years. I feel lucky to have shared with her deep conversations about life and the world we live in. She always had a profound and inspiring perspective on any given topic. I will treasure our powerful talks, which always involved hilarious jokes and big laughs.*

To say Amalie Ashé’s light was bright is an understatement. She was radiant. She was a breath of fresh air, a ray of sunshine, an amazing friend. I will always hold space in my heart for Amalie.
