“ *Absolutely heartbreaking. Amanda was a kind, affable, genuine individual and an extraordinarily talented, trusted and dearly respected colleague. Her wit, bright smile and infectious laugh will carry on for those of us who had the privilege of working alongside her. Sincerest condolences and best wishes to the Blankenbaker-Nelson family.*

“ *I just had the honor of meeting Amanda a little over a year ago. I was on a committee with her at Ben E. Keith and was actually supposed to be visiting her this week. I am still in shock and disbelief of her passing. She was an amazing lady and I am a better person knowing her. May God bless you all I will be praying for your family.*

“ My favorite memories are when I used to spend every weekend with alyssa at their house and Ms. Amanda always treated me just like her own. She never forgot to tell me happy birthday or remind me of how proud she was of me. I used to love running errands with her while alyssa was at track practice. She will be greatly missed. Heaven gained a beautiful angel.

“ I still think of the kindness Amanda showed to Olivia, and how much fun Olivia had with Alyssa when they were babies. She was a gentle soul, and such a great mom. We grieve with you and send our love to Alyssa, Aidan, Jacorey and Tyson.
