

## Elliot August Danger

June 28, 2021 - December 23, 2021

Elliot August Danger was born in Austin, Texas on June 28th, 2021. He is the son of Megan & Tyler and the brother of Dexter and Logan.

Elliot loved playing with his parents and brothers hearing them sing to him and putting anything and everything in his mouth. He spent his time playing with his Mom and developing his beautiful personality while hitting milestones in development. Looking to her for the next laugh to come his way. He often looked at plants with his dad seeming intrigued by the textures, colors and shapes. Sometimes popping into a work meeting to stare at his own reflection in the screen. His eyes were deep and fixated fully on the person in front of him. Learning and studying them to find the best way he could bring them joy. His smile was infectious and his laugh left you needing more. His inquisition was never ending when around his brothers. Everything they did he watched in awe. From the crazy dance battles to showing him what every household item was. He knew his brothers and he loved them and they knew and love him. Elliot will live on through the memories of his family and those he touched and continue to make this dark world a brighter place.

A live stream of Elliot's Memorial Service will appear on the Austin Natural Funerals Facebook page, <https://www.facebook.com/AustinNaturalFunerals>, shortly before 12 pm on Wednesday, December 29th. A Facebook account is
