We regretfully announce the passing of Eristofra "Erie" (Mercado Corro) Bishop, 85, of Austin Texas on April 2, 2022. Erie was surrounded by her family and passed away peacefully.

*One of the most beautiful, heartwarming individual I have known in my lifetime is my aunty Erie. (Please note that I will not use past tense here because the spirit is alive. It will always be a present tense). My fondness of her goes back when I was still in my primary years back in the Philippines. She has been a kind, generous and sweet soul. She has the gift of touching children’s hearts. The joyful memories she shared with us will remain to be engraved in my heart forever. Being able to see her and talk to her and expressed how much I missed her and love her through a video call three days before she crossed the veil, is one of the most touching and spiritual event that I will carry with me until we meet again. This is a celebration of her life. We are all immortal beings in a mortal journey. Death is but a gateway to eternal life. Jesus Christ paved the way for this transition to materialize. Our lives here on earth are just short and temporary. Our real destination or home is in heaven. My beloved aunty Erie, God be with you till we meet again!!! Thank you very much for the love, generosity and kindness you have extended to us. I miss you and love you with all my heart.  
Hugs....Pinky*
