“ My favorite memory of Uncle Harold was our trip to Havasupi Falls. After a grueling hike through the desert and mountain, Uncle Harold heard of two children who were in trouble. Without hesitation he hiked back down the mountain to help them. I will always remember his unwavering kindness. The world is truly a dimmer place without his light.

“ I always loved coming down to visit and seeing Uncle Harold's new projects that he created. His humor, laughter, and of course "Guy Scary" hiding in places. His photography was top notch and I enjoyed him sharing his pictures with me. He was a loving, caring, and very generous man. I will miss him dearly.

“ I will remember Uncle Harold as having a very witty sense of humour and he never seemed to take anything too serious. He would always find the funny side of any situation. I always enjoyed time with him when we would come and visit in Arizona. He will be dearly missed.

“ I will always remember Harold as a kind and loving man. I enjoyed the times we were able to visit Harold and Char. Harold's wit and the smile that came after it will always be etched in my memory. He always made time to be there for anyone if they needed him. Harold will always be remembered as how a person should live their life to bring love and happiness into other people's life.
