“ *I love and miss you Dad.*

*From your earthly body you are now Free.
So much sadness & so many tears came
from Me.*

*Yet many Happy shared moments also flow through my memory.
In my Heart you will always be...*

A great Father & my best friend.

Fortunately its not the end.

*Because we "talk" on the astral plane when I send,
Love & prayerful messages to you to help Mend...*

*This aching heart that is learning to append,
Happy Memories with the Sad ones to blend,
Because on this Earth light & dark are inescapably mixed in the
end.*

Peace Dad. I love and Miss you.
