“ *Denny and I loved being neighbors in Bellaire with Ira and Marcia. We loved all our conversations! And hearing great stories of all trips he and Marcia took . He loved politics ! He wanted to make sure the new neighbors that just moved next door shared his views . He made sure to bring over a voters registration as long as we were Democrats . He was correct with one of us . He was so smart and so fun. We were so shocked and saddened to hear the news. He will be so missed . Sending hugs to Marcia and the family .*
