“ I’m a year and a half late but just recent learned of Irv's death. I used to work for Irv Kaplan in the 1980’s. We both worked for Calco Lumber Company on Burleson Rd., in Austin. He was the Merchandiser for the company. Before the big box home improvement stores Irv was bring lumber and other merchandise into the stores rather than the warehouse. He was way ahead of the Home Improvement trend. He eventually took over management of the Calco store on 5th St., downtown Austin. I was his retail manger. He was a good boss, committed to his job. I learned a great deal while working for Irv. He eventually went on to open his own refinishing shop on South Lamar, Austin. On one of my visits to his shop he was refinishing the desks’ of the State Legislature. He was very proud of his work. We lost touch in the 90’s but it sounds like he had a full life.
Rest In Peace Irv.
