

## Jefferson Lee Huebner

June 9, 1985 - November 18, 2021

Jefferson (Jeff) Lee Huebner died peacefully at home on 18 November 2021. Jeff was also born in this house 36 years ago. As I (his father) write this, the cause of death remains pending.

Except for a few months on Adak Island, Alaska working with unexploded ordnance, Jeff lived in Austin, Texas. Jeff graduated from Westlake High School in 2003. He attended Blinn College, Austin Community College, and was planning to finish at Texas State University.

Jeff is survived by his parents, Jan L. Allen and Donald J. Huebner. He has a younger sister, Elise M. Huebner, and two older brothers, Erik M. Huebner and Daniel J. Huebner. Daniel and Kim are the parents of his nephews, Aldo and Benjamin. Jeff was very fond of these boys. All his immediate family is in the Austin area. He was unmarried and had no children. Jeff has many aunts, uncles, and cousins in Texas and other states. His beloved Labrador dog Leo is now with Elise.

Jeff was very good with animals and kind to them. He enjoyed taking all the dogs to Commons Ford Park for walks and retrieving. Jeff recently raised an orphan squirrel and released it into the wild. He is well remembered for his exceptional sense of humor, wit, and charm. Jeff was a pretty good car mechanic and repair guy, helping Elise with many household projects and car

issues. He was an excellent skeet shooter. A real master of shotgunning. He enjoyed dove, and duck hunting, bay fishing, camping, going to our Ranchito in Edwards County, and working with dogs.

Family and friends will have a celebration of Jeff's life on Saturday, 19 March 2022, 2:00 PM (1400 hrs) at Commons Ford Park, 614 N Commons Ford Road, Austin, TX. We will gather in the area behind the log barn near the end of the paved road. After the gathering, we have a space reserved at Schmidt Family BBQ, 12532 FM 2244, Bee Cave, TX (Hill Country Galleria) for sharing BBQ and reminiscences. Please no flowers.
