

Jessica Carol McKinley

June 17, 1999 - July 4, 2022

It is with deep sadness that we announce the passing of our dear daughter, sister, cousin, niece and friend, Jessica Carol McKinley. Jessica was born on June 17, 1999 in Chandler, Arizona. She spent the majority of her life in Austin, TX and is survived by her mother, Toni McKinley-Moore and father, Craig McKinley, 3 siblings; Brittney, William and Matthew and her beloved cat Moo. Jessica graduated from McNeil High School in 2017.

Jessica has touched so many people's lives in her short time here. She loved nature and animals. She had a colorful and adventurous personality. Jessica was so smart! She taught herself sign language, Spanish, and piano starting at a young age and had dreams of attending The Juilliard School of Music.

People knew and loved Jessica for how comfortable they felt around her. She was loving, accepting, and easy to talk to. She was a great listener and made people laugh. Jessica was unapologetically herself.

She will be missed so much!

Please help the McKinley's give Jessica the celebration of life that she deserves. Donations will go directly to covering the cost of funeral expenses. In addition to their faith, your support will go a long way in comforting the McKinley family. <https://gofund.me/41dbde53>

(Please wear comfortable shoes, wear colorful clothes, and bring water to the burial).
