

Jonathan Rene Salas

January 10, 1975 - January 4, 2025

It is with heavy hearts that we announce the passing of Jonathan Rene Salas, who left this world on January 4th 2025. Though his life was marked by challenges, he was deeply loved and will be remembered for the joy and laughter he brought to those around him.

Growing up, Jonathan was a bright light in our family. Always the ringleader, he had a natural charisma that drew people in. He had an incredible sense of humor and could make anyone laugh, often bringing smiles to even the most difficult days. Those who knew him will remember his sharp wit, his ability to connect with others, and the countless memories he created through his playful and magnetic personality.

While Jonathan faced struggles in adulthood, his family's love for him remained constant. His loss has left a profound void in all our hearts. Despite the challenges he endured, we take comfort in knowing that he is now at peace and free from the pain he carried.

Jonathan was preceded in death by his grandparents, Susie and Paul Serrano, Janie and Gilbert Salas; his father, Gilbert Jr. Salas; and his son, Tavyin Salas.

He is survived by his loving mother, Tina Serrano, and stepfather, John Cobb; his sister, Crystal Sanders; his son, Anthony Salas; and many cherished extended family members and friends who cared for him deeply.

A service to celebrate Jonathan's life will be held at his parents' home on Saturday, February 22, 2025, at 2:00 PM. Surrounded by those who loved him, we will honor the memories we shared and the impact he had on our lives. His ashes will be placed in the chapel on our family's property, where he will rest in peace and love. For details and the address, please contact the family.

We will always remember Jonathan for the joy, love, and laughter he brought into our lives. He will be greatly missed but forever in our hearts.

“ *I knew Jonathan for many, many years because of my friendship with his mother Tina. He was quite a character, always in a good mood and ready to share a smile. He was a good kid who sometimes faced problems but managed to rise above them. He will be missed immensely by his family and all who knew him. Rest in peace, dear boy!*
