

Joseph Michael Millstone

May 17, 1948 - September 9, 2024

Joseph (Joe) Michael Millstone of Owings Mills, Maryland (and most recently, San Marcos, Texas) passed away on September 9th, 2024, at age 76. He is survived by his loving wife Jody Maister Millstone, his children Larry (Olivia) and Lee (Mara) Millstone, and grandchildren Amelia, Viera, Thais, and Jasper Millstone. Joe is also survived by his devoted siblings, Rebecca Sandler, Sam (Jennifer) Millstone and Ricki Maister, as well as his niece Sara Sandler and nephews, Alexander and Ethan Millstone.

Joe was beloved not only by his family members and friends - but all of the colleagues and acquaintances with whom he shared jokes. He brought humor and light to every situation and could always be counted on for a laugh, political briefing, update on the Ravens or Orioles (he was a devoted fan), or recap of one of his favorite television shows.

Joe had a 50+ year career with the government (Centers for Medicare & Medicaid Services), serving both at the federal and state levels in Maryland. He loved his job - working right up until the end - and formed many meaningful friendships throughout his career.

Joe was happiest when with his grandchildren, listening to country music, playing in his weekly poker game, traveling the world with Jody and Robert & Pam Goode, or enjoying quality time with his loved ones in Baltimore,

California, and Texas.

Funeral services will be held at Austin Memorial Park Cemetery at 11:00 a.m. on Friday, September 13th. If you would like to honor Joe's memory, we welcome donations to the following:

“ Joe and I were best friends from the from the time he started at Gilman through college and after. We spent a summer traveling through Europe together, and he was the best man at my wedding. I have so many memories of Joe and his family that I would not know where to begin. My heart goes out to Jodie and his children and the rest of his family.

“ Growing up cousin Joe was was always fun to be around and I especially remember him using his Donald Duck voice when talking to me. He always made holidays fun, especially when he led Seder. “ My love and sympathy is with the family at this time. Joe works with me at his current role within DFB at CMS. He is and will always be the light in the darkest of rooms. He was more than a co- worker to me but an amazing mentor that I got to work closely with and love. He became family and was masterful in uplifting your spirits with the best jokes. He mattered and always will. I appreciate getting to know him and being taught all the things he knew. An angel on earth to many; Until we meet again. Forever in our hearts!

“ When I think of Joe, I immediately smile. He gave me tons of frank, unsolicited yet very wise advice during and years after we worked together in what was then CMSO. Joe's practical jokes were unparalleled. The jokes at my expense made me laugh so hard I cried. My deepest sympathy to Jody and the entire Millstone family.

“ Dear Jody and Family,

We are thinking of you during this difficult time and please accept our sincere condolences. We were blessed to know and work with Joe and know his love for family, travel, and of course the Orioles and Ravens. We will miss an amazing friend who was kind and possessed a giant sense of humor. Joe always offered to help and support colleagues working on projects. There are so many stories and memories of Joe, and they all include smiles and laughter. We will keep you all in our thoughts and prayers.

“ *This news shocks me. Joe was a great, steadfast friend back at Gilman School and one of the very few people we wanted to see when, as longtime dwellers in the Midwest, we came back through Maryland. Honest and brimming with gentle humor and common sense, Joe did -- along with everything else -- the one all-important thing that we are supposed to do on this earth, but that too few of us accomplish or sustain: he committed himself to a happy thriving family, and thank heavens the legacy of his dedication is still with us. I will miss him severely.*

Bruce, it seems we are all aging! I rode to school every day with Joe, and have good memories of our time together. We three were part of the first class to have a minion, not an insignificant thing at the time. I hope you are well!

“ To Joe's family, it's difficult to fully articulate what an absolute joy it was to work with Joe. He had a way of livening up the most boring meetings with a clever joke. I don't have a single memory of him that does not involve laughs and smiles. He will be deeply missed here at CMS. With deepest condolences,
