

Keith R. Nichols

July 15, 1958 - January 26, 2021

On Tuesday, January 26th, 2021, Keith Nichols, age 62, loving husband and best friend, father of six special fur-babies, moved his residence to Heaven.

Born and raised in Northern California (NorCal) to Dave and Lurena Nichols, he grew up with two brothers, David and Kevin.

He is survived by his wife (of 31 years) Cari (Austin, TX), his brother Kevin (Sacramento, CA) his boy (cat) Rapha, his girl (cat) Zoe, and several aunts, uncles, nieces and nephews.

Keith was a Sous chef, an accomplished wood worker, amateur body builder, a well- rounded outdoorsman (hunting, kayaking, fishing, camping), an avid motorcyclist, an Audiophile and loved God's word – reading and teaching it. Our church in San Diego nicknamed him "Bibleman" because he knew where so many scriptures were found in the bible.

In-person service will be on Saturday, January 30th at 2pm, City Reach Church, 3502 Hatch RD, Cedar Park TX, 78613 (near Lakeline mall). Face masks are required and seating will be in family groups with proper social distancing.

For those unable to attend in person, please join us on Zoom (pre-service

“ Cari, I will always remember Keith as a gentle-spirited, kind soul who shared a sweet, kind smile with every greeting. You two made an amazing couple - touching lives and hearts. If that wasn't enough, your deep caring ways for animals has been remarkable! God certainly brought you two together! I'm grateful and thank the Lord, for Keith's life shared with you in this earthly realm before he went to his heavenly home. May God heal your heart and bring perfect peace in the days to come. Love, Annette

“ Fred and I were just talking about you Barney and Betty on Monday and the friendship that we have. If it wasn't for the two of you walking through the rock quarry with us many times, and being such an amazing example of what God intended for marriage, our marriage would not be near as strong as what it is today. Well done Barney you have led well and the example you set has changed lives. Betty we love you so much. love always Betty and Wilma

Dearest Keith, what a prayer warrior you were. A man full of love. How you always prayed for others and kept them in thought no matter what you were going through. Cari, I love you and I am here for you!

“ God's speed, Keith. One the kindest and gentlest souls to walk our earth, I was blessed to call Keith my neighbor, friend, and dog sitter. He called my little dog "Punkin" when they visited on the street, and they had a special bond. He cared for her with all his heart when were out of town, right up until her passing a few years ago. My memories of her always include him. I know he is surrounded by all of his fur babies and those in his extended animal family. Just one reason Keith was loved and will be missed. Peace, strength and love to you, Cari.

“ Keith, Though we only met once, I know you were a man after God's own heart because I was able to call your beloved wife a good friend. Now you are there face to face.

Cari, my dear friend, my heart goes out to you and you will remain there and in my prayers. You will always have an ear here to bend.

“ To the love of my life...while we said in our vows “till death do us part”...this parting is only temporal. My heart thrills knowing I will see you again! I love you with every square inch of my heart!

My memories are of a man of God praying over folks in the healing room and of his service in the sound booth. His heart for God and his faithfulness will be remembered!
