

Korbin "Bubbs" Fisher

July 4, 1989 - February 16, 2024

Survived by his Nana, Grandma and Grandpa Fisher, Mum, Dad, sister Danielle and husband James, sister Candace and husband Ben , three nephews and one niece.

1 Cor 13:12-13 (Msg))

We don't yet see things clearly. We're squinting in a fog, peering through a mist. But it won't be long before the weather clears and the sun shines bright! We'll see it all then, see it all as clearly as God sees us, knowing him directly just as he knows us! 13 But for right now, until that completeness, we have three things to do to lead us toward that consummation: Trust steadily in God, hope unswervingly, love extravagantly. And the best of the three is love.

Korbin was a sweet soul. Loving, funny, smart and kind. He had a fun childhood. Hockey and skateboarding with friends being his main passion! He attended Criswell Bible College for a short time, went on a mission trip to the Amazon and truly loved the Lord Jesus Christ. Yet, drugs had a grip on him and the demon wouldn't let him go. Drugs may have won the battle here on earth but the Lord won the war. Bubbs is signed, sealed and delivered to his home in Heaven where he is FREE INDEED!

“ *Dearest Jane,
Please accept Barb and my condolences! Be assured you have been prayed for and will be prayed for for a long time. Korbin’s picture shows him to be a handsome man. Think of it: He is enjoying (truly) the Lord Jesus Christ and others this very moment. Wow! God bless you dear sister.*

“ I met Korbin in Dallas at the Gaston House. He immediately took me in under his wing. We worked together at Extreme Pizza. Korbin was such a good and loving friend and I called him family. This cruel world is going to miss the the loving old soul he was. My dearest condolences go to his family.

“ I love Korbin. We had some good conversations around God back when I was more in your lives. May he be dancing in paradise with Jesus. And may all the kitties be greeting him from the rainbow bridge. My deepest sympathies are with you Jane, Kent, Danielle, and Candace.

“Korbin touched me from the first time we meet. He came into my program Gaston House as a 18 young man. During that time I witnessed the joy return in his eyes. I can attest that he came to a relationship with Lord and surrendered to the One and only God. He reached out to me a little over a month ago. Myself and Dave Fields spoke to him on the phone for 45 min. We reminded him of his relationship with Christ. Romans 8:1” “Therefore, there is now no condemnation for those who are in Christ Jesus,” no condemnation. Kent and Jane praying for you guys today for you. I rest that Korbin is with his savior today.

“It is so very sad when a soul is gone way too soon, as a parent, I feel connected to the love of Bubba. It reminds me all each of us has is today and to show kindness and love to all we each come into contact with. Heaven has another angel.

With love, Karen Tiffin

“ My condolences to Korbin's family. My name is Matt, I am from Australia. I only knew Korbin for one single night in May 2018, when I was travelling alone through Nashville. That evening I was about to leave the bar and go to my car to sleep, when Korbin struck up conversation with me. He invited me to stay and listen to the next band with him and his friend. When he found out I was sleeping in my car he immediately invited me to sleep on the floor at his place instead. These small but generous acts have stayed with me over the years, it was a memorable night thanks to the kindness and love he showed to a complete stranger.
