

## Meadow Elisabeth Goodman

June 21, 2008 - August 12, 2023

Meadow Elisabeth Goodman was born in 2008 on the same day as her mother Lulu, June 21. Lulu had said it was the best birthday present ever. Meadow was quickly taken under the wing of her big sister Eden and then little brother Ezra came along the following year. Three was truly a magic number for Greg and Lulu Goodman.

Growing up and throughout her life, Meadow enjoyed dancing, playing and listening to music and most of all, spending time with her friends. She also studied Mandarin along with her brother as part of the Doss Elementary Mandarin Immersion Program. Meadow also loved being part of the Anderson High School Theater Department and during her first year as a freshman, she actively participated and supported the theater's productions. Meadow was known for her dry sense of humor and her candor, having no problem telling you exactly what she thought of the world (or exactly what she thought of you). She had an iron will and when she wanted to do something, she did it and did it her way.

While Meadow tragically left us on August 12, 2023, her impact to our family, her friends and our community is indelible. Over the last week, our family has learned so much about the impression that Meadow made on many people throughout her life, which included her fellow students, teachers, parents and neighbors. She was loved by many, but no one loved her more than her

family.

As part of Meadow's legacy, the Goodman family wishes to convert tragedy into assistance for families who have members struggling with depression and mental illness. For those that wish to make a donation, we are asking for them to be made in Meadow Goodman's name to either Out Youth ([outyouth.org](http://outyouth.org)) or Suicide Awareness Voices of Education ([SAVE.org](http://SAVE.org)).

The Goodman family wishes to thank you for visiting Meadow's tribute page to celebrate her life and for your support of our family during this difficult time.
