In Loving Memory of Michelle Mendez Dickerson

June 6, 1969 - May 26, 2026

Michelle Mendez Dickerson, a dedicated educator, devoted mother, and loving wife, passed away unexpectedly, leaving behind a legacy of love, courage, and service.

Born in San Antonio, Texas, on June 6, 1969, Michelle grew up in both San Antonio and Lake Jackson, Texas. In her youth, she was an avid soccer player and an active, vibrant student, ultimately graduating from Brazoswood High School in Lake Jackson in 1987.

From an early age, Michelle knew her calling was to teach. She pursued this passion at the University of the Incarnate Word in San Antonio, earning her degree in 2000. Michelle dedicated her life to shaping young minds, focusing the majority of her nearly 30-year career on Special Education. Throughout her career, she served students and families in the Northside Independent School District in San Antonio, as well as the Pflugerville, Round Rock, and Georgetown Independent School Districts. Her patience, empathy, and advocacy touched countless lives.

In early 2003, Michelle met the love of her life, Tom Dickerson. What began as a long-distance relationship soon led Michelle to relocate to the Austin/Round Rock area for a fresh start and a beautiful future together. Deeply committed to one another, Michelle and Tom built a home and a life in Pflugerville in 2005, where they shared many wonderful years together.

Michelle's greatest joy and deepest source of pride were her two sons from a previous marriage, Andrew and Jeremy. She was a phenomenal mother who loved her boys fiercely. Both Andrew and Jeremy went on to serve honorably in the United States Armed Forces-a testament to the values she instilled in them, and a source of immense pride for both Michelle and Tom.

Known for her strength of character, Michelle always had the courage to forge her own path and stand up for what she believed was right. Raised in the Catholic Church, she embarked on a deeply personal spiritual journey later in life. In 2011, following in her son Jeremy's footsteps, she converted to Judaism. As she embraced and studied her faith, she would often beautifully note, "This feels right."

Michelle is survived by her devoted husband, Tom Dickerson; her beloved sons, Andrew Jacob Pierce (Paulette) of Austin, Texas, and Jeremy Thomas Pierce Dickerson of Fort Worth, Texas; her loving mother, Maria Luisa Garcia of San Antonio; brother Michael Mendez of San Antonio, brother Adrian Mendez of Lake Jackson and her father, Henry Mendez of Lake Jackson, Texas.

Michelle's warmth, determination, and passion for helping others will be deeply missed by all who knew and loved her.

“ Here’s a polished version of your message:

Michelle was my school mom from the very first day I met her. We instantly connected when we discovered we were both Yankees fans! We loved shopping at Dollar Tree, talking about our families, and sharing meals together. Michelle had the sweetest heart and showed kindness to everyone she met. She always made people feel welcome and cared for. She will be dearly missed, but the memories and love she shared with so many will never be forgotten.

“Michelle was funny and easy going. She was so positive and had a zest for life. And although it's been a few years since I've seen her, I will remember her fondly and will always remember the laughter we shared playing bunko, crafting, and discussing books through our book club. She will be missed.

“ We are deeply sorry for your loss. I have such fond memories of Michelle from when Daniel and Jeremy were younger and involved in their bar mitzvah years. She was always enthusiastic, caring, and supportive, especially of Jeremy’s interest in Judaism. Having embraced Judaism through conversion, she brought a genuine passion and commitment to her faith, evident in the way she encouraged others on their own journeys. Her warmth, kindness, and devotion will always be remembered. Our thoughts are with you and your family during this difficult time. With Deepest Sympathy,

It was a privilege to work with Michelle and her family and watch Jeremy go from a tween to serving our country. She was a gifted educator and always made me feel welcomed when I visited.
