

## Olga Levin

July 24, 1950 - November 5, 2021

Olga Tamez Levin, 71, died peacefully in her home in Austin on the morning of November 5, after an extended battle with pancreatic cancer.

Born in Elgin, TX to Guadalupe and Adolfo Tamez, she grew up in Elgin and graduated from Elgin High School in 1968.

A loving wife, mother and grandmother, her caring and giving personality, wonderful sense of humor, honesty, and being a good listener meant you could always go to her for advice and support. She adored her two daughters, their husbands and five grandchildren, and would do anything for them. She loved taking the girls shopping and spoke with her daughters daily. She enjoyed travel, especially trips to the beach with the family, and time in Las Vegas to hit the slot machines. For many years, she read the newspaper cover to cover every day, and always kept us informed. She loved decorating for holidays, but really went all out for Christmas.

She is survived by her husband of 39 years, Rob, daughter Becky Navarro and husband T.J. and children Pearl, Simon and Goldie, daughter Jackie Myers and husband Bryan and children Campbell and June. She is also survived by her sister Lucille Gonzalez and husband Frank of Austin, brother Adolf Tamez Jr. and wife Mary of Elgin, and brother Freddie Tamez and wife Kim of Lexington, TX. She is also survived by many cousins, nieces and

nephews.

In lieu of any flowers, donations to Pancreatic Cancer Action Network would be appreciated.

Plans for a private Celebration of Life gathering are pending.

“ *I met Olga with Rob in 1991. Together, we did some major additions and improvements of their already fabulous home in Colleyville - while she and Rob, together with their little girls, lived in the home.*

*She always greeted me with a smile. In these 30 years passed we had many occasions together and she always wore that genuine smile for me. She called me Thomas always.*

*Rob and I became best friends while he efficiently expressed to me what Olga wanted me to do. As a couple, they were always one to imitate. As parents, I have know no better. They always put each other and the girls first.*

*Every time Rob and I got in the car from a meeting or after a sporting event, he called Olga - always the sweetest of calls - and with a report on the happenings of the their girls.*

*Olga was a precious jewel.*
