

Patricia Louise Baston

February 22, 1949 - June 22, 2019

Patricia Louise Baston “Pat”, residing in Austin, TX passed away on Saturday, June 22, 2019.

Pat, born February 22, 1949, is survived by her only child Catherine “Katy” Corser and her grandson Flex Corser (5-pound dog), her Aunt Dollie, and many loving family members throughout Missouri.

She is preceded in death by her parents Claude Earl and Alberta Catherine Baston, and her uncle William Joseph Perry.

Graduating with a bachelor’s degree from Missouri Southern State College in Joplin, MO, Pat went on to become an elementary school teacher, including teaching in the Bahamas, and later became a successful business owner.

Pat was an avid and talented gardener, photographer, poet, gracious host, and always the life of the party. She enjoyed spending time with her daughter chatting over coffee or a nice glass of scotch, running errands and traveling together. She also loved their dog Flex who she referred to as her little buddy and who was always by her side. Pat was a beautiful woman with a kind and generous heart. An inspiration to those who knew her and a role model to her daughter, Pat will be greatly missed, but never forgotten.

Pat's favorite quote to her daughter was "peaks and valleys," referencing that often to comfort her during hard times.

In lieu of flowers donations are requested to Blue Dog Rescue.

“ *Our paths crossed but for a brief time at West Oaks...long enough for my mother and I to recognize another beautiful mother-daughter bond, and how the years change the relationship. Katy, I have thought about you and your mom every day since we said our goodbyes. I was so sorry to hear you had to tell your mom goodbye (for now), and my heart hurts for you. Your mom's face lit up at the mention of your name and the sound of your voice, and having Flex in her arms. I pray that you were both at peace and cared well for at the end. Sending a big hug and prayers for you.*

Nancy thank you so much for the sweet message. I'll never forget what you did for me and my mom that day...helping her as you did. You just jumped right in as if we'd known each other forever. Precious bittersweet memory. Love and hugs to you and Gloria.
