“ Scott, you were such a joyful soul. Always happy and always laughing. Thank you for the memories at Travaasa, every Goya event, drag queen Bingo and countless dinners. Sending all of my karma to you above. Rest my dear friend, you are loved.

“ Scott, you beautiful human. "Ruth Robalean, now there's a story for ya". No one will ever be able to out quote me like you did when it came to Steal Magnolias. Your friendship will forever have a place in my heart. This world has become a little darker without you in it. My comfort is knowing you're watching over all of us, or playing Mariah Carey's All I want for Christmas on repeat up there. I love you to the moon and back my friend.

“ I just heard the news and I can't believe it. At least once a year the last few years we've done a little messaging and reminiscing...and laughing of course! Like at this lovely photo you sent from Homecoming '89—look how cute we were!

You will be missed so much. But I can promise that every time I see a wire hanger or hear "Groove is in the Heart" I will think of you and smile!

Huge prayers for Johnny and April and the whole family as you navigate this life without your Scotty.
