“ I am so profoundly sorry to hear this tragic news. I worked with Ruben at IBM for several years. Ruben and I shared several commonalities. We were both born in Mexico, bilingual and we were both passionate about Flying. Ruben was an excellent boss and always a fun person to travel with. We always spent time after work look for the best Mexican Restaurant in what ever city we were visiting. I will miss you Ruben, you were a great boss and a good friend... my deepest condolences to the Krumholz family..

“ *It's amazing how we can take the little things in life for granted. Ruben and I spent many years traveling to business partners and representing IBM. He was a great guy and offered to take my family on a plane ride. While the technical difficulties that day precluded our flight, we never followed up and rescheduled. Thanks Ruben, for being such a great colleague!* ”

Ruben was always generous with his time and a hugely enjoyable travel guide with a zest for life and a warm and generous heart. “ *I enjoyed working with Ruben at IBM for many years. We would team up to go after the competition around the world. We both shared a love of flying and we were both members of the Chandelle Flying Club. Ruben always pushed himself hard to be the best at what ever he did. I will miss his directness and humor.*

Clear skies and tailwinds Ruben.

“ *When I moved to the USA for 2 years, Ruben was in the office right opposite me. He welcomed me and introduced to me to his lovely family and 'little' boys, we taught them to water ski on the lake and we had laughs and fun and lots of Tex Mex! I danced and giggled with Ruben at my first ever Bar Mitzvah with my wife Sarah. Such happy days. Now Ruben and Sarah can look down at us and reminisce too. Some people are just taken from us too early! All our love from your friends in England x*

“ *Ruben made everyone feel important, and you could always count on him. I would sometimes just ask him for suggestions, he was full of ideas, experience, and wisdom. He inspired thoughtfulness and compassion in all that he knew him.*

*Good people pass away;
the godly often die before their time.
But no one seems to care or wonder why.
No one seems to understand
that God is protecting them from the evil to come.
For those who follow godly paths
will rest in peace when they die.
Isaiah 57:1-2 NLT*

He will be missed, until we see him again on the other side.
