

Sidney James Sampson

July 29, 1955 - May 27, 2023

Sidney James Sampson, of Austin, Texas, our beloved Jim, passed away at home from natural causes on May 27th, 2023 at the age of 67. Jim is survived by daughter, Chelsea Barry and grand-daughter, Aria, and Jim's sisters Allison S. Miller and Marianne Sexton. Jim was pre-deceased by his parents Mary and Sid Sampson of 1011 South Congress.

Jim will be terribly missed for his great sense of humor, his generosity, and his willingness to listen. Jim loved and was loyal to his family, his friends, and his dogs and cats. Throughout the years, Jim also loved a large variety of wheeled transportation vehicles he owned. Jim was skilled at mechanics and auto body repair and was known for helping out friends and family with automotive issues when the chips were down. Many know Jim from the years he worked at Twomey Auto Repair, where Jim still liked to hang out. Not many knew that Jim had a real talent for drawing and sent letters to family in envelopes he had hand decorated with his art.

Services were graveside at Eloise Woods Natural Burial Park, 115 Northside Lane, Cedar Creek, Texas, 78612, on Saturday, June 10.

“ As one of Jim's sisters these are some of my favorite memories of Jim:

The way he always listened in our conversations without giving judgement or criticism, but always being willing to share humorous commentary, or be supportive.

Jim sharing his stories of his MacGyver skills in the creating of multiple inventions from whatever he had at hand to solve different problems. He was amazingly creative with this skill.

Jim's love and loyalty for family, friends and for his dogs and cats. Jim's really great sense of humor, and memories of him playing pranks that were really funny and never mean on family and friends. The hand decorated envelopes that he sent his letters in to family and friends. Some of the art was humorous, some was very pretty and some of it was just uniquely Jim.

Jim's willingness to help others out with car repair or other things he could do to help.

with love,

Allison
