

Stuart David Green

November 23, 1946 - November 15, 2025

A caring, compassionate, enlightened soul who would do whatever he could to help anyone. A pioneer in computers, later on he would aid and mentor many people. All benefited from the knowledge he gladly shared with them. A great son, brother, cousin and friend. His light shines in our hearts.

Sorry for your loss.

Anne and I were in Japan with Stu, and we got all drunk and Stu threw up all over the train, and Anne.

Great times.

Stu had the best pipe.
